Interview to build the website window-shop

To create our window shop we start to collect information.
Each partner has to complete the below sections for each course. All information will be collected by Cometa and publish on the window-shop.

Partner Organization	CENTRO SAN VIATOR
Email Service manager (for the client's requests of information/participation)	**ainhoa.delacruzanviator.com**
Logistic and technical support	We offer participants support not only before and during training but also after. This is, we will give advice on how to implement the mobilities in their entities. The training also offers free support material for the implementation and evaluation of mobilities.
Other collateral services (i.e field visits, connection with other courses/partners etc.)	We facilitate job shadowing programs to learn in a real context how mobility programs work for young people with fewer opportunities. In addition, participants will have the opportunity to meet and interact with our staff and students participating in international mobilities as well as with collaborating companies in which the students carry out internships. You can also purchase a pack for the design and presentation of the mobilities in the Erasmus+ program calls.

Details Information about course to publish

Short description of the course (main aim, relevance, broad content to be covered)	This course is aimed at professionals who work with people with fewer opportunities and want to implement a mobility program with internships in companies abroad. This course offers a set of tools for all phases of mobility: before, during and after. In addition, the participants will also acquire a general understanding of how to carry out the process to achieve accreditation of the training obtained by the student during the mobility.
