Details Information about course to publish

Short description of the course (main aim, relevance, broad content to be covered)	Participants will engage in reflective exercises to delineate their study, work, and personal life goals. The program aims to enhance self-knowledge, encompassing strengths, competences, and life resources. Participants will clarify their academic standing, the motivations propelling their studies, and the anticipated outcomes. Practical aspects, such as job application strategies and more effective calendar utilisation to equip participants with skills conducive to job acquisition.
